up to 100 pitches – €750 €
up to 200 pitches – €950 €
up to 500 pitches – €1,250 €
up to 1,000 pitches – €1,450 €
up to 2,000 pitches – €1,950 €
over 2,000 pitches – €2,550 €

Summary of initial certification costs:

The total price for certification consists of the application fee (ECOCAMPING e.V.), the on-site inspection by external auditors, and the annual license fee.

- All prices are exclusive of VAT.
- **Travel costs for external audits:** During the audit season (March to mid-June and September to the end of October), audit tours are organized. Travel costs are shared among participating sites. Typical travel costs are around €250–350, depending on tour planning. Individual audit appointments outside the regular audit season are also possible; in this case, all travel costs must be covered in full.

Services 2026

Certification

Your tasks:
✓ Work through the criteria catalogue and provide the necessary documentation.
✓ Complete the monitoring/indicators table.
✓ Carry out the relevance check.
✓ Develop an action plan.

Optional: Support with the application and audit preparation

- *We assist you with your ECOCAMPING Award application and prepare you for the on-site audit (including company data, criteria catalogue, evidence documentation, monitoring table, relevance check, and action plan).*

Annual License Fee for ECOCAMPING Award

You receive the following benefits:

- You may use the ECOCAMPING logo for online and print materials.
- Your campsite will be listed on the online platform *ecocamps.eu*.
- We register your site as certified in relevant directories and portals.
- As a starter kit, you receive an ECOCAMPING flag and sign, a basic supply of guest brochures, and weather-proof recycling stickers.
- We support you in preparing a sustainability report (VSME standard).
- You can access professional consulting services at a reduced hourly rate of €95 plus VAT (e.g., planning advice, energy consulting, etc.).

Your tasks:

Implement the action plan (reviewed every 3 years during re-certification).

ECOCAMPS Network:

- As an awarded site, you are part of the ECOCAMPS network. You and your staff can participate in online seminars and receive the network newsletter.
- You gain access to best-practice information.
- Your sustainability activities can be promoted on our *ecocamps* blog and our social media channels.
